INTERNATIONAL CONFERENCE ON SOCIAL INNOVATION 8-9 NOVEMBER 22 | COIMBRA | PORTUGAL

TALKING ABOUT SMART HEALTHY AGE-FRIENDLY ENVIRONMENTS

International Conference LEARNING AND IMPLEMENTING SOCIAL INNOVATION

📍 Coimbra, Portugal
📅 8-9 November 2022
🕒 09:00 - 17:00 (GMT/UTC)

Organization Committee

On November 8th and 9th, we will talk about Smart Healthy Age-friendly Environments and Social Innovation in Coimbra. This conference is co-organised by the Nursing School of Coimbra, SHINE 2Europe and AFEdemy, and aims to share and discuss approaches, projects and best practices related to Social Innovation and how to implement and develop healthier and inclusive environments.

In addition to the very interesting panels of speakers, during the two days of the conference workshops and face-to-face meetings will allow for different projects to be presented and discussed.

We are looking forward for the afternoon of the 8th November, when Raul Castaño Rosa from Tampere University will present our GreenerAge project in a panel about person-centred interventions.

GreenerAge aims to create a low-threshold and playful access to an environmental and digital literacy platform for citizens 55+, empowering them to adopt healthier behaviours, more active citizenship and more environmentally friendly habits.
