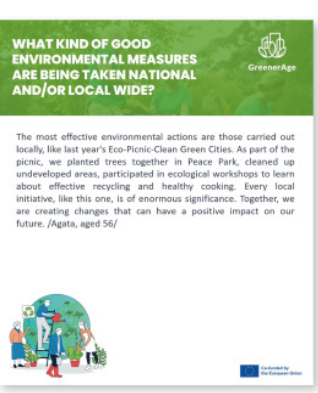
IN THE SPOTLIGHT

WORKSHOPS WITH OLDER CITIZENS

Workshops were conducted across all partner countries to gather insights from 55+ participants regarding two pivotal GreenerAge components: the compendium and the beta version of the platform. Explore the valuable feedback received from participants in Portugal, Finland, the Netherlands, Germany, and Poland!

The collected feedback will be carefully reviewed and used to make enhancements to both of these outcomes, further refining and improving them.

WHAT WE HAVE BEEN DOING



WE WENT TO ASK CITIZENS...

The GreenerAge project partners from Finland, Portugal, Poland, the Netherlands, and Germany posed the following question to citizens: "What kind of good environmental measures are being taken national and/or local wide?". Find out the answers here.

WHAT'S NEXT?

Interviews will be made with policy makers, to test the booklet with policy recommendations.
