DECEMBER 2023

IN THE SPOTLIGHT

MULTIPLIER EVENTS SUCCESSFULLY CONDUCTED

Multiplier events were executed across all partner countries, showcasing the key outcomes of GreenerAge. These events served as a platform to gather insights not only from participants aged 55 and above but also from relevant stakeholders, including environmental associations, policy makers, and associated partners. The presented outcomes included the compendium, the trainer manual, the policy recommendations booklet, and the platform.

Curious about how these events unfolded and the feedback received from participants? Explore further details here, featuring insights from Finland, Portugal, the Netherlands, Germany, and Poland!

GREENERAGE PROJECT SPOTLIGHTED IN EAEA GRUNDTVIG AWARD 2023 PUBLICATION

In the 2023 edition, the spotlight was on Adult Learning and the Green Transition, and GreenerAge was prominently featured in the transnational initiatives! You can know more about this here.

WHAT'S NEXT

Throughout December and January, we'll be dedicating our efforts to fine-tune all the outcomes of the GreenerAge project, carefully incorporating the diverse perspectives and needs shared by participants and stakeholders during the multiplier events.

In February, our anticipated platform will be officially launched! Keep an eye on our website for more details coming your way very soon.
